Dear Ms. Clemons and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Metropolitan Transportation Commission's (MTC) 2016/17 – 2019/20 Federal Transportation Improvement Program (FTIP):

- | <u>No.</u> | <u>Description</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10         | <p><b>Local, State and Transit Transportation Systems</b></p> <ul style="list-style-type: none"> <li>• This amendment adds and modifies projects from various counties in MTC region. It includes projects with funding from the Surface Transportation Program, Congestion Mitigation and Air Quality Improvement Program, State Highway Operation and Protection Program, Highway-Railway Crossings Program, and various Federal Transit Administration (FTA) programs.</li> </ul> |

See enclosure.

MTC has certified that the amendment is financially constrained, does not change air quality conformity, and meets the requirements of public involvement procedures adopted by MTC.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve MTC's Amendment Number 10. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2017 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.
