SFOBB WEST SPAN BPM PATH

- **What:** West Span Bike Path Community Meeting
- **When:** Wednesday January 20th, 6:00 p.m.
- **Where:** Bayside Room, Port of San Francisco
on Pier 1 The Embarcadero, San Francisco

The public is invited to attend the first community meeting for the San Francisco-Oakland Bay Bridge (SFOBB) West Span Bicycle, Pedestrian, and Maintenance (BPM) Path Project (the Project). The Project proposes to address the lack of bicycle and pedestrian access on the West Span of the San Francisco-Oakland Bay Bridge by constructing a path from downtown San Francisco to Yerba Buena Island (YBI).

Please join Bay Area Toll Authority (BATA) representatives and project team members to learn about the project and give your feedback on design options. There will be a question and answer period with the project team immediately following an overview presentation as well as interactive stations to give feedback on project options.
