Gina Papan, David Rabbitt, Hillary Ronen, Libby Schaaf*, James P. Spering, Vacant
*Non-Voting Members

Ribbon-cutting Celebration

A ribbon-cutting celebration to mark the installation of new test transit maps and signs at the El Cerrito del Norte BART station on Thursday, Dec. 12, at 3:30 p.m.

These test signs and maps are part of the Regional Mapping & Wayfinding Project, a partnership between the Metropolitan Transportation Commission (MTC) and Bay Area transit agencies, that will redesign and harmonize maps and signage across all nine Bay Area counties to help people navigate transit more easily.

The current phase of work involves the installation of several "test" prototype signs and other communication materials at two transit stations that serve multiple transit agencies: El Cerrito del Norte BART station and the Santa Rosa Transit Mall/Downtown Santa Rosa SMART station.

Transit riders will be able to engage with the test materials during their journeys and share with MTC their ideas about how to make new signs and maps work better for them. This public feedback will help MTC and Bay Area transit agencies improve designs to make traveling by transit more intuitive and convenient.

As Chair of the Metropolitan Transportation Commission, I am calling a Special Gathering of the Metropolitan Transportation Commission for Thursday, December 12, 2024 at 3:30 p.m., at the El Cerrito del Norte BART Station, 6400 Cutting Blvd., El Cerrito CA, 94530. There is no agenda for this event and no business will be conducted. This is not a meeting but rather a social gathering.

Alfredo Pedroza, Chair
