Agenda Item 2e - 23-1034

MTC Resolution Nos. 3989, Revised and 4505, Revised

Subject:

Various revisions to the One Bay Area Grant program (OBAG 3) and MTC exchange program, including programming \$1.5 million to MTC for Engagement and Capacity Building for Community-Based Transportation Plans (CBTPs) and the Community Action Resource and Empowerment (CARE) Program; \$600,000 to MTC for Bay Wheels Bikeshare E-Bike Expansion; and \$2.3 million to MTC for various Priority Production Areas (PPA) Pilot Program grants.

Background:

The OBAG 3 program adopted by the Commission establishes the policy and programming framework for investing federal Surface Transportation Block Grant Program (STP) and Congestion Mitigation and Air Quality Improvement program (CMAQ) funds for FY 2022-23 through FY 2025-26.

To provide greater flexibility to deliver select priority projects within the broader OBAG framework, MTC has entered into agreements, on occasion, to exchange federal STP/CMAQ funds with non-federal local funds. These exchanges do not increase the total amount of funds available to the region but enable MTC to support key investments within the OBAG policy framework that are ineligible for federal STP/CMAQ funds. MTC Resolution No. 3989, Revised, describes the procedures governing MTC's exchange program and details the agreements and commitments that have been made to date.

This month, staff recommend revisions to the OBAG 3 and MTC exchange programs as described below.

Community Choice

OBAG 3 Community Choice funds support Community-Based Transportation Plans (CBTPs) and participatory budgeting processes and provide a dedicated source of funding for the acceleration and delivery of transportation projects identified through these processes. In June 2022, the Commission programmed \$3 million in OBAG 3 Community Choice funds to the Bay Area County Transportation Agencies (CTAs) to fund CBTPs in each of the nine counties, consistent with MTC's CBTP Guidelines (MTC Resolution No. 4514). MTC staff have been

developing the Community Action Resource and Empowerment (CARE) Program to support the remaining elements: participatory budgeting processes, project development, and implementation of community priority transportation projects.

This month, staff recommend programming \$1.5 million in MTC exchange funds for Community-Based Organization (CBO) engagement, technical assistance, and capacity building in support of both CBTP development and the CARE Program, activities that are ineligible for federal transportation funds. The remaining \$13.5 million CARE Program balance will be programmed through future actions following the CARE Program call for projects.

Bikeshare

In February 2023, the Commission committed \$20 million in OBAG 3 Climate Initiatives funds to MTC for Bay Wheels E-bike Expansion. That same month, the Operations Committee authorized staff to negotiate a contract with Lyft, the operator of Bay Wheels, for \$15.9 million. Staff are actively negotiating the terms of that contract.

This month, staff recommend additional programming actions to support the successful launch of the E-bike Expansion, anticipated in Fall 2023. This includes programming \$600,000 in MTC exchange funds (within the \$20 million in OBAG 3 Climate Initiatives funds already committed) to MTC as follows:

- \$150,000 for station siting staff support by City of Oakland staff,
- \$100,000 to supplement additional funding for station siting consultant support in the remaining Bay Wheels member jurisdictions (Berkeley, Emeryville, San Francisco, and San José),
- \$150,000 for marketing activities associated with the E-bike Expansion launch, and
- \$200,000 to purchase membership incentives to promote the launch.

These activities support the E-Bike Expansion project and Climate Initiatives goals are ineligible for federal transportation funds. The City of Oakland identified direct staff support as the best approach to addressing bikeshare station siting needs, while the remaining Bay Wheels member jurisdictions preferred consultant support for station siting.

This proposed programming supports the launch of new equipment and programs in the near term, after which MTC staff will explore expansion opportunities with additional communities

using the remaining funds. Staff expect this process to begin in early 2024 and plan to return to this Committee in Spring 2024 to program the remaining funds.

Priority Production Area (PPA) Pilot Program

In June 2023, the Commission programmed \$2.25 million in OBAG 3 Growth Framework Implementation funds to four projects within the Priority Production Area (PPA) Pilot Program for planning and technical assistance. This month, staff recommend revising the fund source for these projects from STP/CMAQ to MTC exchange funds to support activities that advance the Growth Geographies framework but are ineligible for federal transportation funds.

ABSTRACT

Resolution No. 3989, Revised

This resolution establishes the procedures governing the MTC Exchange Program. This resolution supersedes MTC Resolution No. 3018.

Attachment B was revised on October 26, 2011 to provide \$376,000 in Exchange Program funding to the intertribal Electric Vehicle project.

Attachments B and C were respectively revised on February 26, 2014 to include \$10 million in Exchange Program funding for Transit Oriented Affordable Housing (TOAH), and update final balances of the initial STP Exchange Program (Resolution 3018) to reflect final project close out.

Attachments A and B were revised on December 21, 2016 to program \$1.1 million to the Bay Bridge Forward Commuter Parking Initiative and update the name of the Transit Oriented Affordable Housing Program.

Attachments A and B were revised on July 26, 2017 to program \$8.2 million to the Regional Priority Conservation Area (PCA) program and \$2.8 million to the Regional Active Operational Management Program. An additional \$1 million in exchange funds will be committed to a specific project or program through a future Commission action. This action and associated agreement and programming actions are contingent upon California Transportation Commission (CTC) approval of the amendment to the baseline agreement for the Marin Sonoma Narrows project to accept STP/CMAQ funds rather than local funds.

Attachment B was revised on February 28, 2018 to program \$10 million to the Bay Area Preservation Pilot; \$1,024,000 to Richmond's Bike Share Capital and Outreach project; \$826,000 for the joint Transportation Authority of Marin/Sonoma County Transportation

Authority (TAM/SCTA) Bike Share Capital and Outreach project along the SMART Corridor; and redirect \$2,800,000 from Regional Active Operational Management to the Bay Bridge Forward Commuter Parking Initiative project.

Attachment B was revised on March 28, 2018 to program \$30,000 to the Bay Area Greenprint Priority Conservation Area (PCA) Improvements.

Attachments A and B were revised on November 28, 2018 to add the SCVTA SR 85 Transit Guideway Study and the CCTA I-680 NB HOV/Express Lane exchange agreements, and to program \$4,000,000 in Exchange funds to the following projects: \$619,000 to CCTA for Innovative Deployment for Enhanced Arterials; \$621,000 to the city of Walnut Creek for innovative Deployment for Enhanced Arterials; \$500,000 to the city of Richmond for the Richmond-San Rafael Bridge Bikeway Access; \$1,160,000 to MTC for Richmond-San Rafael Bridge Forward; and \$1,100,000 to MTC for Napa Valley Transportation Demand Management Strategies.

Attachment B was revised on March 27, 2019 to change the recipient of the Concord IDEA project from CCTA to the City of Concord and reduce the funding from \$619,000 to \$589,000; and reduce the funding amount for the MTC Richmond-San Rafael Bridge Forward project from \$1,160,000 to \$1,046,000; and redirect these funds to a new project with MTC as the recipient for the Concord IDEA project for \$144,000. The matching funds for the Concord IDEA project as identified in MTC Resolution 4357, are included within the \$144,000 amount. These changes result in no net change to total funds committed to-date.

Attachment A was revised on June 26, 2019 to cancel the \$1,200,000 exchange agreement with the SCVTA for the SR 85 Transit Guideway Study as the funds provided through the exchange are no longer needed.

Attachment B was revised on September 25, 2019 to reflect MTC as the direct recipient of exchange funds for the Concord and Walnut Creek IDEA projects; funds will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.

Attachment B was revised on November 20, 2019 to program \$6,023,000 to 13 projects as part of the Priority Conservation Area (PCA) Grant program; funds will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.

Attachment B was revised on March 25, 2020 to redirect \$25,000 from MTC's Bay Bridge Forward Commuter Parking Initiative to MTC's Fruitvale Quick Build project.

Attachment B was revised on November 20, 2020 to program \$647,000 to four projects as part of the Priority Conservation Area (PCA) Grant program. For the Yerba Buena Island Multi-Use Pathway, which provides access to the San Francisco-Oakland Bay Bridge, \$1 million of federal OBAG 2 funds are being provided at this time for cash flow purposes. The Bay Area Toll Authority will repay non-federal funds to the MTC Exchange Program within three years. MTC's funds for the Twin Peaks trail will be provided to the Coastal Conservancy for management of the two fund sources for this project. Because the Conservancy is a state entity, the funds will be provided as an up-front grant rather than on a reimbursement basis. Funds for projects other than the Twin Peaks Trail will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.

Attachment A was revised on May 26, 2021 to add the Transportation Authority of Marin's (TAM's) US 101 Marin-Sonoma Narrows (MSN) High-Occupancy Vehicle (HOV) Lanes project for \$75,651,097.

Attachment A was revised on June 23, 2021 to add the Solano Transportation Authority's (STA's) Solano I-80 Managed Lanes project for \$63,464,510.

Attachment A was revised on July 28, 2021 to add the Solano Transportation Authority's (STA's) Solano I-80 Managed Lanes project for \$1,845,000, and to add the Bay Area Infrastructure Financing Authority's (BAIFA's) Solano I-80 Managed Lanes Toll System project for \$2,822,000.

Attachment A and B were revised on March 23, 2022 to add the \$500,000 exchange agreement with Midpeninsula Regional Open Space District for programming an equal amount of federal funds to VTA's Highway 17 Bicycle/Pedestrian Trail and Wildlife Crossing project; and to

remove the \$251,000 funding commitment for Albany's Albany Hill Access Improvements project, as the sponsor will not be moving forward with the project scope as originally proposed. Attachment A was revised June 22, 2022 to add the Capitol Corridor Joint Powers Authority's (CCJPA's) State Route 84 Ardenwood Intermodal Bus Facility project for \$100,000, as part of a fund exchange agreement with CCJPA.

Attachment B was revised on March 22, 2023 to program \$15,940,000 to MTC for Bay Wheels Bikeshare E-bike Expansion.

Attachment B was revised on May 24, 2023 to reprogram \$5,000,000 from MTC's Transit Oriented Affordable Housing (TOAH) program to MTC's Bay Area Housing Finance Authority (BAHFA): Senior Rental Assistance Pilot Program.

Attachment B was revised on October 25, 2023 to program \$2,250,000 to MTC's Priority Production Area Pilot Program, \$1,500,000 to MTC's Community Engagement and Capacity-Building project, and \$600,000 to MTC for station siting, marketing, and incentives in support of the Bay Wheels Bikeshare E-bike Expansion project.

Adoption of the project selection and programming policies for the third round of the One Bay Area Grant program (OBAG 3). The project selection and programming policies contain the project categories that are to be funded with various fund sources, including federal surface transportation act funding assigned to MTC for programming, to implement the Regional Transportation Plan (*Plan Bay Area 2050*) and to be included in the federal Transportation Improvement Program (TIP) for the OBAG 3 funding delivery period.

The resolution includes the following attachments:

- Attachment A – OBAG 3 Project Selection and Programming Policies
- Attachment B – OBAG 3 Project Lists

With the adoption of the project selection and programming policies, Attachments B-1 and B-2 program \$8,300,000 to Regional Planning Activities, \$37,200,000 for OBAG 3 Program and Project Implementation, and \$4,000,000 for Program and Project Implementation for transit transformation activities within the Planning and Program Implementation Regional Program; and \$35,157,000 for CTA Planning Activities within the Planning and Program Implementation County & Local Program.

On February 23, 2022, Attachment B-1 was revised to program \$30,000,000 in OBAG 3 Regional Multimodal Systems Operations and Performance Program funds to the Clipper C2 Capital project as part of an alternative funding plan for the project's Regional Measure 3 (RM3) funds.

On March 23, 2022, Appendix A-1 was added to incorporate guidelines for the County and Local Program call for projects.
