(RESUME ASKING EVERYONE)

9INT. Please tell me whether you strongly agree, somewhat agree, somewhat disagree, or strongly disagree with each of the following statements.

SCALE:	Strongly agree	Somewhat agree	Somewhat disagree	Strongly disagree	(Don't know)	Total Agree	Total Disagree
(RANDOMIZE)							
9.	Taxes in the Bay Area are high enough, I will vote against any tax increase.						
	48	20	20	12	0	68	32
10.	I would support investing in affordable housing in the Bay Area, even if it means raising taxes.						
	20	27	13	40	0	47	53
11.	I support building more housing in my neighborhood.						
	33	28	14	25	1	60	39
12.	A regional housing bond can make a difference in addressing Bay Area housing affordability.						
	20	38	16	25	2	58	41

(END RANDOMIZE)

13INT. Next, I'd like to read you statements from people who **support** the proposed measure. After you hear each statement, please tell me how convincing it is as a reason to vote **for** this measure. Please use a scale from 1 to 7, where 1 means not at all convincing and 7 means a very convincing reason to vote for the measure.

SCALE:	Not at all convincing			Very convincing			(Don't know)	Mean	
	1	2	3	4	5	6	7		
(RANDOMIZE)									
13.	Shores Landing is a 95-room senior supportive housing community transformed from a hotel. It is now the home of Elizabeth, who was a teacher until she was diagnosed with colon cancer, couldn't work, and was evicted while undergoing chemotherapy. This measure will build projects like Shores Landing to make sure seniors like Elizabeth don't become homeless.								
	19	6	6	13	17	13	26	1	4.47
14.	Bay Area rents and home prices have risen much faster than incomes, pushing families, seniors, and young adults out of their communities. This measure will provide over 70,000 new homes in the Bay Area and make it easier to find a place to live.								
	25	6	8	12	14	14	21	1	4.08
15.	California is facing a homelessness and housing affordability crisis, despite billions spent. This measure will require strict accountability, full transparency, and independent oversight of all public funding to make sure taxpayer dollars are addressing these problems more effectively.								
	25	5	7	12	14	13	23	1	4.19
16.	We should all be able to live in a safe, decent, affordable home and still have enough money for groceries and other basic necessities. This measure will help make the Bay Area a place where hard-working people can afford to live.								
	23	6	6	12	15	13	23	0	4.22

SCALE:	Not at all convincing					Very convincing		(Don't know)	Mean
	1	2	3	4	5	6	7		
17.	There are hundreds of affordable housing construction projects that are already approved by local governments in the Bay Area but have been stalled for years awaiting available funding. This measure will unlock those projects and begin breaking ground immediately on projects to build nearly 41,000 new units in the region.								
	24	6	9	12	16	12	21	1	4.10
18.	The Bay Area is building less than half of the affordable homes we need for working families including teachers, first responders, and caregivers. This measure will provide permanently affordable homes and downpayment assistance to help people to live in the communities where they work.								
	22	5	7	12	14	14	24	0	4.30
19.	Children deserve every opportunity to succeed in school and life, which begins with a stable home. This measure will help provide affordable homes in the Bay Area for the hundreds of homeless local children and their families who are living in shelters, on the streets, or in their cars.								
	23	7	8	10	13	14	24	0	4.21
20.	There are already thousands of people living on the streets and nearly 600,000 adults and children in the Bay Area are low-income and at risk of losing their homes. This measure is desperately needed to help those who are truly in crisis and safeguard other families from becoming at-risk.								
	25	7	8	12	13	12	22	1	4.07
