

Bay Area Housing Production: Forecast vs. Observed

Map of the Month: June 2016

What year will your city reach its 2040 housing growth forecast, assuming the annualized housing production rate between January 2015 and December 2015 continues unabated?

- Ahead of Schedule (before 2040)
- On Track or Slightly Behind (between 2040 and 2059)
- Behind Schedule (between 2060 and 2099)
- Way Behind Schedule (after 2100)

Plan Bay Area Housing Production Forecast: 2010 to 2040
